

**CDFA Fertilizing Materials Inspection Program Workshop**  
November 5-6, 2024

We are pleased to announce CDFA’s 2024 Fertilizing Materials Inspection Program Workshop! **Secretary Karen Ross** will be providing opening remarks regarding the importance of fertilizers, OIMs, plant biostimulants, and soil amendments in California agriculture. This workshop is a great opportunity for you to learn critical tips for expediting the registration process and how to address violations during the informative presentation sessions and to work directly with program staff on pending fertilizer registration applications during our open clinic.

**Register:** Online at <https://secure.cdfa.ca.gov/egov/fmip2024/> using credit card/e-check or with this completed registration form if paying with a paper check.

**Cost:** **\$200** early registration rate per person/**\$250** late registration rate per person (late registration rate applies to registrations after October 10, 2024 & walk-ins)
